

Delock 19" Keystone Patch Panel 24 port with cable fixing rail, labelling field and dust protection 1U black

Description

This patch panel by Delock can be mounted in a 19" cabinet. With its standardized dimensions, it is suitable for easy snap-in mounting of 24 Keystone modules.

Cable fixing for optimal cable management

On the back of the patch panel, the cables can be fixed to enable clear and orderly cable routing.

Module holder with dust cover and labelling field

The individual ports in the front panel have a dust cover to protect them from dirt when not in use. In addition, the module holder has a small labelling field per port, which can be individually labeled or provided with various symbols.
