Delock RJ45 Flat Network Cable with braided jacket Cat.6A S/FTP plug to plug 0.5 m black
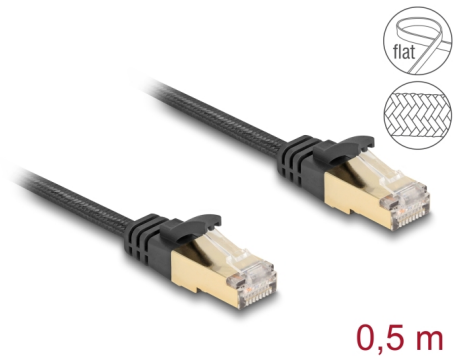

Description

This network cable by Delock can be used to connect different networking devices, e.g. a NIC to a switch or a patch panel.

Super flexible and flat
The RJ45 cable is ideal for laying under carpets, floors or behind wallpaper. The material of the cable sheath is flexible and makes the cable very resistant to strain.

With braided jacket
The jacket provides excellent resistance to abrasion and protects the network cable from kinks and breaks. Thus, the cable remains durable.
