

USB 3.2 Gen 1 FPC Flat Ribbon Cable USB Type-A to USB Type-C™ 14 cm PD 3 A

Description

This USB cable by Delock enables the connection between a device with a **USB Type-C™** connector and a PC or a laptop equipped with a free **USB port**.

Ultra flexible cable

The cable is characterized by its special construction. Instead of normal copper wires there is a flexible circuit board inside the cable, which is also called **FPC (Flexible Printed Circuit)**. This makes the cable extremely flexible and yet robust. It is particularly suitable for charging smartphones via a power bank on the go.

14 cm
