

Delock FPC Flat Ribbon Cable USB Type-C™ to Stereo jack 10 cm

Description

This **audio adapter** by Delock allows the connection of earphones, a headset or speakers with stereo jack to devices with a **USB Type-C™** port, such as a smartphone, MacBook or Chromebook.

Ultra flexible cable

The cable is characterized by its special construction. Instead of normal copper wires there is a flexible circuit board inside the cable, which is also called **FPC (Flexible Printed Circuit)**. This makes the cable extremely flexible and yet robust.

10 cm

Note

The USB Type-C™ interface of the device has to support the output of audio signals (USB ADC specification).

Specification
