

Delock Precision Pentalobe Screwdriver Set for iPhone, iPad and MacBook, 3 parts

Description

This set by Delock is the ideal companion for small repairs in the electronics sector.

iPhone and MacBook

The three pentalobed screwdrivers are especially suitable for opening or repairing Apple devices, e.g. **iPhone** or **iPad**, **MacBook Air** and **MacBook Pro** models with Retina Display.

Precise working

The handle has a rubberised surface and a ball bearing swivel joint. This enables precise turning with a firm grip.
