A Note From Jayden

Another crazy week gone by! This week was loaded up with new releases again... and it doesn't get any easier next week! Seems the paper shortage has resolved a bit and lots of delayed books are flying off the press! We've put together a huge batch of books for tonight's upload - chalk full of great runs and minor keys! I saw The Batman last night and was pleasantly surprised! Gritty and not cheesy, it was awesome – get out and see it!
