A Note From Jayden

What a week! I was in Montreal this weekend buying some books, came home Monday with two near complete runs of ASM (18-900 & 2-900). ALL of those books are coming to the website TONIGHT! On top of that – some CRAZY new consignment came in yesterday.... Fantastic Four 1, 2 & 5 to name a few! They will also make it to the site tonight. I've got a few more small collections on my desk today to buy, and a Golden / Silver Age collection incoming Monday. It never ends! Back to work – its crunch time for the upload!

DID DC JUST REVEAL THE JOKER'S NAME?

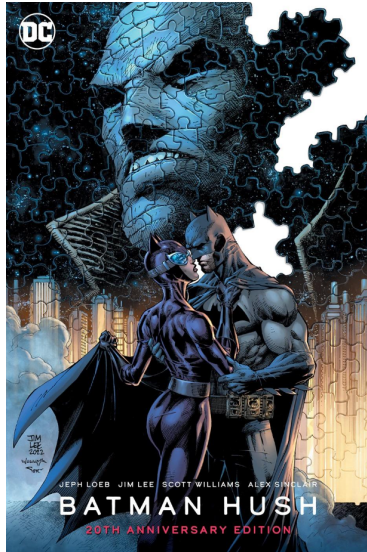

This week's Flashpoint Beyond saw Martha Wayne's Flashpoint Joker recounting all she had learned about the main DC Universe timeline from Psycho Pirate. One of these details was that the Joker's name is Jack Napier. Whether or not this is true or a trick by DC for something to come remains to be seen.
