Another exciting week in comics has come and gone faster than The Flash. In case you missed anything catch up on everything in comics this week below.

### **A Note From Jayden**

It's been a few weeks since I've been able to slide a note in here – long time no chat! I snuck out of the office and off to Western Canada for the week. Spent a few days shopping & mailed home five BIG boxes of books that are set to arrive Monday. We'll be getting those ready for the site next week! I've been back in the office most of this week, and I've been playing catchup non stop! We've worked on lots of new goodies for tonight – we are relaunching the Toys section on our site, and we prepped a few hundred Mags! Should be fun!
