Product Description

The 3-Pin LED Linear Light is an excellent option for offices, warehouses, parking garages, supermarkets, canopies, public buildings, commercial businesses, and schools. This ceiling fixture can be surface mounted or suspended with a cable-system and comes with a frosted or clear cover. Ranging in sizes from 1ft to 8ft, this 3-pin LED Linear Light is especially designed to link up to other fixtures. Dust-proof, impact resistant, and waterproof, this durable fixture is perfect for use in harsh environments and is rated IK10 pressure-proof and IP66 outdoor rated. UL, ETL, TUV, SAA, CE, and DLC certified. Each post light fixture comes with a 5-year manufacturer warranty. Optional photocell available.
