

## ALAN McCORKINDALE

### 2006 Waipara Valley Noble Riesling

This is a 'Single Vineyard' Riesling harvested from the unique climate and limestone-rich clay soils of the 'Teviotdale' vineyard in the Omihia sub-region of the Waipara Valley. A classic Waipara Valley Noble Riesling, this wine bursts with flavours of honey and flowers in midsummer, with hints of apricot, Seville orange and lemon zest.

The palate is full, elegant and tightly structured with concentration and balance. While very sweet, the wine is very well balanced with racy acidity, a very elegant wine which is a true 'vin de garde'.

We enjoy this Noble Riesling with seasonal fresh fruit.
