

A top-down view of various fresh seafood items including fish, shrimp, crabs, and shellfish, all resting on a bed of crushed ice. The items are arranged in a circular pattern around the central text. The fish include a large red snapper, a silver fish, and a blue fish. The shellfish include a scallop, clams, and a crab. The shrimp are pink and white. The crabs are orange and black. The ice is white and chunky.

ABOUT US

Café-supply is a London based supplier of fish and meat products to restaurant, hotels, food service, supermarkets and many others

We source the best quality products from around the world for our customers.

OUR SUPPLY CHAIN

Working with fishermen in the Mediterranean Sea, we only work with those whom we know to ensure we bring you the best and verified traceability.

OUR PRODUCTS

Our preference is to supply wild caught fish. From time to time we also supply farmed products depending on customer demand, seasonal availability and other factors.
