

BIO SCULPTURE

Student Kits 2024

BIO SCULPTURE CANADA INC.

HEALTHY | ETHICAL | PROFESSIONAL

Our purpose is to provide quality products and professional training, empowering nail technicians to offer healthy and fashionable nail care systems, guided by an ethical business approach.

BIO SCULPTURE produces premium nail gel systems, used by distinguished nail technicians for 35 years! With an eco-friendly manufacturing facility based in South Africa, BIO SCULPTURE's ethical business approach provides quality products and professional training, ensuring that brand trained nail technicians can offer healthy and fashionable nail care to clients.

BIO SCULPTURE's professional products are available to nail technicians through brand training. As a training-based system, BIO SCULPTURE endorses the highest standard globally and produces award winning nail technicians worldwide. BIO SCULPTURE certified training courses are internationally recognized within our brand systems.

BIO SCULPTURE manufacture products with ethical considerations top of mind. Our ranges include products that are vegan-friendly, cruelty-free and never tested on animals.

BIOGEL

THE ORIGINAL NAIL GEL

BIOGEL is the original, professional, soak-off, easy wear nail gel system in a jar. With a 5-star Safety Rating boasting natural nail health, while beautifully enhancing and transforming any nail. A scientifically formulated award winning* pure gel range which varies from flexible to solid, BIOGEL is suitable for every nail type and is excellent for extending & strengthening nails. BIOGEL is durable, chip resistant, self levelling, with a long-lasting gloss finish, and removes within 10 to 15 min. With a range exceeding 200 colours, nail art and overlay possibilities are endless. New fashionable colours are launched seasonally, adding to the BIOGEL range with a matching nail polish range. *Winner: Best Nail Enhancement Product for 9 consecutive years!

EVO

GEL POLISH

EVO is a revolutionary, professional LED gel polish in a bottle system that is easy to apply. Consisting of three pure gel base coats: EVO 80Base & Build, EVO FLEX Base and EVO CONTOUR Base & Build, each with a unique texture and purpose to suit every nail type. The bases have excellent self levelling properties for overlays, adding strength to the natural nail and to create effortlessly create beautiful nail enhancements.

The bottle and brush system allow for fast application and quick removal within 10 to 15 min, while being a complete system on its own, EVO is compatible with BIOGEL. EVO has a wide selection of highly pigmented colour gels with excellent consistency and intense nail coverage that are all named after special ladies. Colour palettes are compiled by leading fashion experts, adding new, seasonal and trendy colours as well as everyday wear shades to the EVO family.

EVO COLOUR RANGE

- Over 160 colours
- Solvent-free formula
- High density pigment for optimal coverage
- LED Curing in 30 seconds
- Applied in 2 layers
- Stix available for every colour
