Cleanse

- Start by removing any old nail polish using your nail polish remover.
- Wash your hands thoroughly with warm water and a gentle hand soap.

Exfoliate

- Apply Kiwi Scrub or Passion Berry Scrub onto clean nails and cuticles, gently massaging in circular motions to exfoliate and remove dead skin cells.
- Rinse off with warm water and pat dry.

Treat

- Use the tiny dropper to apply Vitamin Dose directly onto nail bed cells, delivering nourishing vitamins for rejuvenation and moisture retention.

Moisturize

- Apply Almond Oil, Black Currant Cuticle Oil, Jasmine Cuticle Oil or Rosehip Cuticle Oil to each nail and surrounding cuticles, massaging gently until fully absorbed. This will hydrate and soften the cuticles, leaving them supple and moisturized.
- For a nut-free option, use Navy Professional's Cuticle Balm

Protect & Nourish

- For Daytime, Apply Elim Age Reversal Hand Cream (SPF 30) to lock in moisture and protect the hands from environmental damage
- For Nighttime, Apply Elim Ultra Rich Hand Therapy for rich hydration.

Weekly Treatment

- Once a week, treat your nails to a luxurious Lavender Base or Volcanic Base treatment. Apply two coats onto clean, dry nails, allowing each coat to dry before applying your favorite Gemini nail color (optional). This nourishing treatment helps strengthen weak nails and restore their health. Then apply Mirror Top Coat over dried nail colour for a protective layer that adds a high-gloss finish and resists scratching.

Special Care

- For stubborn cuticles, use Cuticle Remover as needed to soften and remove dry, hard skin around the nail area. Apply to the cuticle area and leave for two minutes before gently pushing back and removing excess cuticles.

Brighten

- Elim MediHand Illuminating Nail Cleanser is the perfect solution for discoloured nails. It's unique formula whitens and brightens nails for a natural french manicured look. Just like applying toothpaste to a toothbrush, apply Illuminating Nail Cleanser to a nailbrush and give nails a daily scrub for cleaner, healthier and stronger nails.
