

## SUPPLY LIST

Many items on this list may be things you already have. Most utensils/equipment do not need to be new, and can be found at thrift stores if you choose.

Do not use utensils/equipment for dyeing that you will use for food.

### Yarn:

- 100% plant-based/cellulose fiber: cotton, linen, rayon (Tencel™, bamboo, etc.), ramie, jute

### Dye supplies:

- Procion MX Dyes - I will be discussing and using the SDF Starter Dye kit, but if you have your own dyes already feel free to use what you have!
- Soda Ash / Washing Soda (NOT baking soda)
- Synthrapol or Dawn dish soap
- Urea\*\*

### Utensils/Equipment:

- Spoons (metal or plastic)
- Plastic wrap or plastic drop cloths
- Roll of masking tape or painter's tape
- Sharpie Marker for labeling
- Liquid measuring cups (*options available at SDF*)
- Small cups for measuring dye powders (small food cups, old yogurt containers, etc.)
- Gram scale/kitchen scale capable of measuring to 1g accuracy
- Bin(s) for storing supplies
- Jars or bottles for storing liquid dyes (*bottles available at SDF*)
- Towels and/or old bedsheets
- Spray Bottle (for wetting down surfaces)
- 5 gallon Buckets - 1 or 2 heavy-duty HDPE plastic hardware store buckets
- 8" Zip ties (if working with skeins, I especially like reusable ones)
- Funnel for bottles\*\*
- Stockpot \*\* (I would highly recommend one, but it does not need to be fancy!)  
If you decide not to get a stockpot for yarn, have an extra HDPE plastic bucket handy
- Brayer \*\* (*available at SDF*)

### Personal Protective Equipment (PPE):

- Dust mask for fine particulates (N95 works)
- Kitchen gloves
- Apron or old clothes
- Old footwear
- Rubber Mat for comfort standing \*\*

Notebook or binder for notes and samples

\*\*optional supplies
