

READERS STRENGTH TEST

Follow instructions below:

—

- | | |
|---------------------------------|---|
| + 4.00 | Hey good lookin', |
| + 3.75 | Ready to test your power? |
| + 3.50 | It's very easy! Just keep on reading. |
| + 3.25 | Hold this test chart about 14 inches |
| + 3.00 | away from your face without glasses on. |
| + 2.75 | The first line of this text that appears blurry is the |
| + 2.50 | correct power for you. So, looking a little blurry yet? |
| + 2.25 | If not, keep reading this chart to find out! |
| + 2.00 | This reader will also protect your beautiful eyes from all that |
| + 1.75 | harmful blue light coming from screens, like phones and computers! |
| + 1.50 | That means no more headaches, sore eyes, eye strain or difficulty sleeping. |
| + 1.25 | Isn't that super awesome? And there's one more thing you should know... |
| + 1.00 | You'll look great in these stylish high quality glasses! You're welcome! |
| 0.00
no magnification | If you can still read this, choose 0.00 to keep your eyes protected. |
