

Bandicoot | Ring Sizing Guide

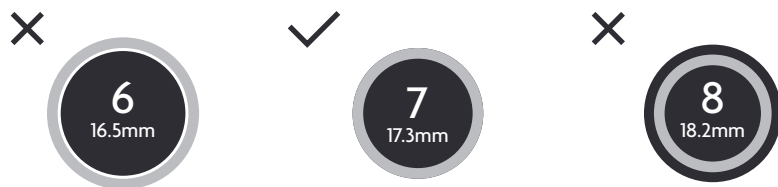

Option one. Put a ring on it.

Step 1 Print page at 100% scale. Do not select 'fit to page' or 'scale to fit'.

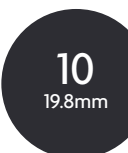

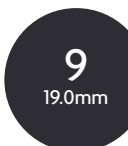

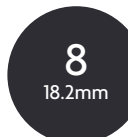

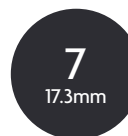

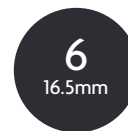

Step 2 Check size accuracy of ruler below at 50mm.

Step 3 Place existing ring over circle charts. Align inner edge of ring with outer edge of circle. Center should be completely filled without overlapping.

Our Tip Rings with larger bands, more than 5mm is suggested to purchase 1 size larger to ensure comfort.

Available Sizing.

Option two. No ring, no problem!

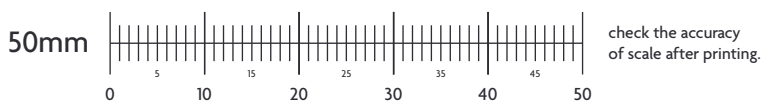

Step 1 Print page at 100% scale. Do not select 'fit to page' or 'scale to fit'.

Step 2 Cut a piece of string.

Step 3 Wrap string around finger below knuckle. Mark where string tail meets a full circle.

Step 4 Flatten string and measure the distance with ruler below.

Step 5 Divide the length by 3.14 to find your diameter. Identify your measurement with the size chart.
