NEXT STEPS

- For items purchased for the regular listed price and NOT on sale, a refund will be processed to the same account used for the purchase (not applicable to sale items).
- All products that are purchased on sale or at a discounted price will be refunded in full via store credit. This store credit can then be used on our website. This is valid as of one year (12 months) from the product purchase date. We are unable to process sale returns to the original payment method.

IMPORTANT

- Do not use the product packaging as a shipping box (tip: reuse the bigger box that the item was shipped in).
- Save the track & trace code as proof of shipment as SneakerBAAS is not responsible for the loss or damage of the return shipment.

You can find more information about returning items on the Returns page on our website.
