

# MACHINE GUIDE

## HOW TO UNBLOCK A GRACO LINELAZER TIP

### OVERVIEW:

Having Trouble With Blocking Tips? Uneven Fan Pattern? Paint Splats? This video and tutorial shows you how to clear blockages.

### 1. Quick fix to clear a Tip

Simply turn tip to reverse position.

### 2. When the tip is in reverse position

When tip is in reverse position, quickly squeeze gun trigger to blast out blockage into empty bucket.

### 3. Turn back into spray position

Turn back into the spray position.

### 4. Replace gun in mount

Replace gun in mount, test on a spare bit of cardboard, and then continue spraying.

### REMEMBER!

Preparation is key, ensure you have the compatible cleaner to the paint sprayed available immediately after use to extend the product life and ensure you have crisp lines.
