

# GAFFER TAPE

## CLOTH MASKING TAPE

A superior reinforced waterproof cloth tape that is predominantly used for the masking out of areas prior to application of line marking or surface coatings, and can be used for both indoor and outdoor preparation work. The easy-tear tape gives excellent adhesion to even the most rugged of surfaces, whilst still allowing simple low-tack removal.

### FEATURES AND BENEFITS

- Strong, to allow simple removal
- Reinforced and waterproof
- Easy-tear formula

## PREPARATION:

### SURFACE PREPARATION:

Ensure surface is clean and dry and free from damp or spillages. If the surface is damp or wet the tape will not adhere properly.

## APPLICATION:

Apply tape with even pressure and smooth down to ensure firmly adhered.

## STORAGE AND PACKAGING:

### STORAGE CONDITIONS:

Storage area should be dry, protected from direct sunlight and extremes of temperature - i.e. between 5°C and 20°C.

### SHELF LIFE:

Minimum 12 months when stored under cover, in original unopened containers, in accordance with Storage Condition guidelines listed above.

### SIZES AVAILABLE:

Gaffer tape is supplied in 50m rolls and is available in 50mm, 75mm and 100mm widths

## HEALTH AND SAFETY:

Familiarise yourself with the material safety data sheets before using this product. If you need a copy please call our technical team on **023 9220 0606**.
