

TRAINING ACADEMY

GRACO LINELAZERS - AUTO SERIES

COURSE OVERVIEW:

This MEON accredited course will explain in fine detail the menu options of every Auto series system and how each aspect operates. You will gain the knowledge of how to set up each mode and how beneficial it is for the machine operator in not wasting time or energy. You will have the opportunity to demonstrate your knowledge and put your skills to the test. This course is included within any LineLazer module.

KEY LEARNING AREAS:

- Explain each of the menu options and how they operate
- Set up of each mode
- Demonstrate how Auto system leads to less operator fatigue
- Spray measured lines with Auto LineLazer
