Incontinence Wipes provide all-in-one incontinence care. They are perfect for fast, effective and gentle cleansing, deodorising and moisturising. The pre-moistened wipes leave the skin feeling soft, fresh and smooth and replace the need for cloths, water, moisturiser and separate barrier cream.

Specifications

- Cleanse**
Mild surfactants will remove soiling without the drying effects of soap and water.
- Moisturise**
Urine and faeces can damage the skin, causing discomfort. Incontinence wipes contain a moisturiser that will leave the skin feeling fresh and smooth.
- Deodorise**
Help neutralise odours on the skin to leave it feeling revitalised and fresh.
- Barrier Protection**
Moisture barrier protects the skin from unwanted moisture including urine, protecting the skin integrity and keeping it free from irritation and discomfort.
- Anti-microbial**
Removes bacteria from the skin that can cause infection, odours and skin damage.

Ideal for use in

- Hospitals—Wards
- Aged Care
