

Latex Powder-Free Examination Gloves

Advanced natural rubber latex formulation provides superior elasticity and comfort for reduced hand fatigue, as well as excellent barrier protection. Interior coating eases donning.

Features & Benefits

- Natural rubber latex material
- Powder free; non-sterile
- Fingertip textured for improved grip
- Provides excellent barrier integrity and protection from cross-contamination
- Ambidextrous with beaded cuffs

Manufacturing Excellence

- FDA 510(k) Approved for Medical Use
- Meets and exceeds ASTM D3578 Specification for Latex Examination Gloves for Medical Application
- Meets and exceeds ASTM F1671 Test Method for Resistance of Materials by Blood-Borne Pathogens (Viral Penetration)
- Manufacturing certified ISO 9001 for Quality Management Systems
- Manufacturing certified ISO 13485 for Quality Management Systems for Medical Devices
