You want to return an item?

Please proceed as follows:

- 1) Fill out the return form and put it into the package.
- 2) Put the items in the package and seal it well with adhesive tape.
- 3) Send off the parcel. As the cancellation policy states, the buyer bears the costs of the return. In this way we want to counteract the flood of parcels and do something good for the environment.

Please note: If individual items from our Kita-Sets are returned, the **full price** for the items you kept will be due!
