Terms & Conditions

A minimum spend may apply to hire Underbelly, our basement bar for private use. This is dependant on the day of the week / time of year you wish to hire it. Please email to find out any minimum spends required for your preferred date.

Any items you pre-order and pay for in advance along with any items your guests buy on the night will count towards hitting your minimum spend.

A booking is not confirmed until we have received a £10 per head pre-authorisation. Once you have confirmed you wish to go ahead we will send a pre-authorisation link via our reservation system. This is a pre-authorisation only and no money comes off your card unless you do not turn up on the day.

As part of the minimum spend for a large group private hire of the basement area we can open our bar downstairs. We would provide full bar service and serve on draught our house lager, Veltins and our house pale ale, Hamthology.

Group Bookings & Pre-Orders

For all bookings of 10+ guests we require a food pre-order to be placed before the day of the booking. This is not required if you are having drinks only. You can choose from either the main menu or from our list of food packages above.

Any bookings of 15+ people that wish to eat will need to pre-order from our list of food packages, at least two weeks before the date of your event.
