# GROUPS & PRIVATE HIRE

## Terms and Conditions

For all groups of 10+ we will add an optional 10% service charge to your bill - ALL of this goes to our fantastic team who help make your event special! We are cashless but we do accept contactless payments and all major credit cards including American Express.

## Underbelly Private Hire

Underbelly, our basement area can safely hold 40 seated and 60 standing. When you hire the space for a private event we will provide a full team and a bar complete with our full range of menu drinks and two draught keg lines.

The private hire space is one which we use for our regular customers throughout the week, therefore we do need to apply a minimum spend for exclusive use.

The level of minimum spend will depend on the time of year | day of the week you are wishing to hold your event. This guaranteed spend enables our business to recoup any lost earnings from our regular customers.

Any items you pre-order and pay for in advance along with any items you or your guests buy at the event will count towards hitting your minimum spend.

A private hire booking is not confirmed until we have received a £10 per head deposit. Once you have confirmed you wish to go ahead we will send a payment link via our reservation system and we kindly ask you pay promptly.

- in the unlikely event of a no-show or if you cancel on the day we will retain your full deposit
- if you cancel less than 48hrs before the event we will retain 100% of your deposit
- if you cancel less than 7 days before the event we will retain 50% of your deposit

## Group Bookings

For all groups of 10+ guests please make us aware if you will be eating or just drinking.

If your group is dining with us we require a food pre-order to be placed at least one week in advance of your event. You can choose from either the main menu or our food packages above. At this stage please make us aware of any vegetarians, vegans or anyone with food allergies within your party.

Any groups of 15+ guests wishing to dine with us will need to pre-order from our food packages, preferably two weeks before your event. At this stage please make us aware of any vegetarians, vegans or anyone with food allergies within your party.

A group booking is not confirmed until we have received a £10 per head pre-authorisation. Once you have confirmed you wish to go ahead we will send a pre-authorisation link via our reservation system. This is a pre-authorisation only and no money comes off your card.

We will however capture this payment off your card if you:

- do not show up on the day
- cancel within 24hrs of the booking start time
