

**QUICK**

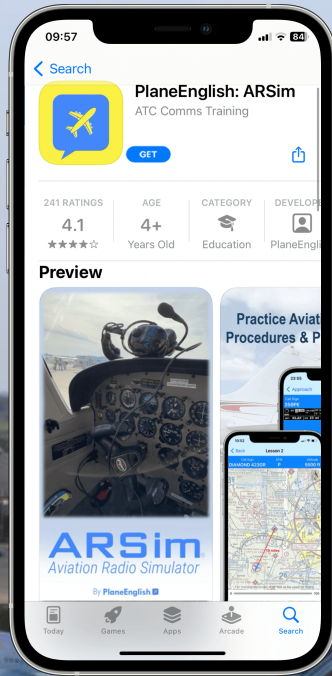

**START**

**GUIDE**

1.

# DOWNLOAD THE APP

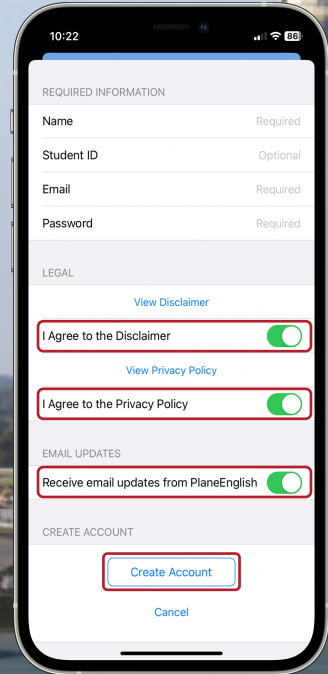

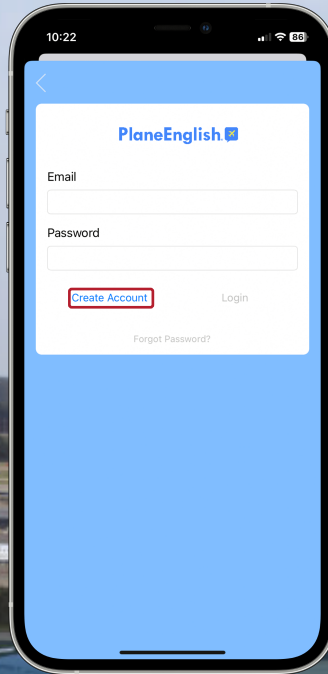

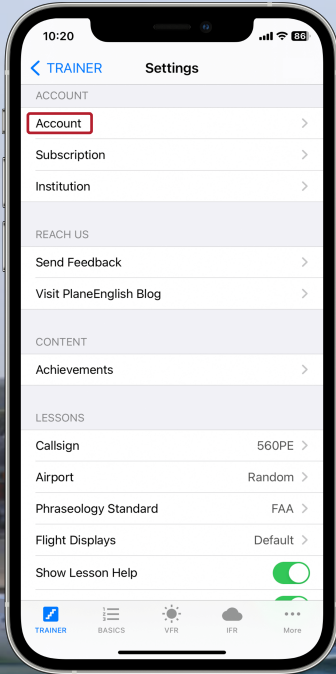

Find us by searching “PlaneEnglish” in the iOS App Store or the Google Play Store.

Follow the links above or visit our website at <https://planeenglishsim.com/>

## 2.

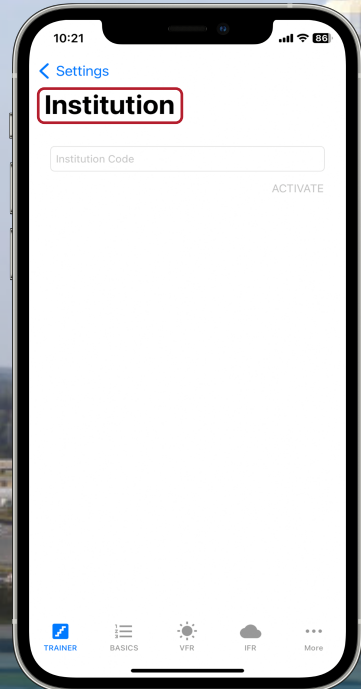

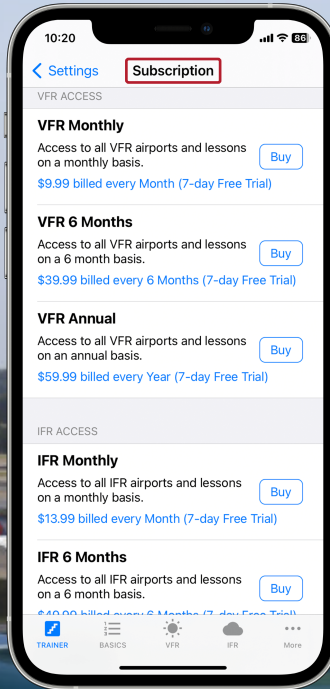

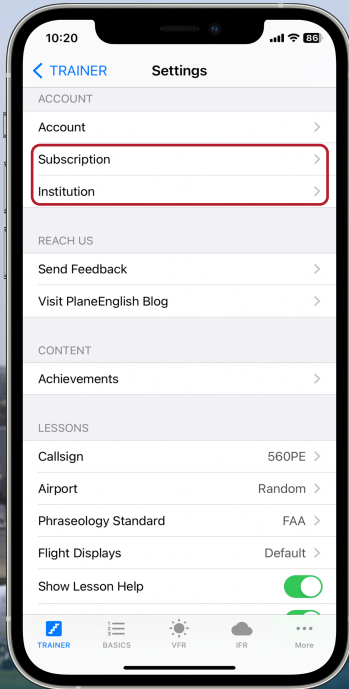

## CREATE AN ACCOUNT

Press "Account" in Settings.  
Enter email, & password then press "Create Account".  
Agree to disclaimers & press "Create Account".

# 3.

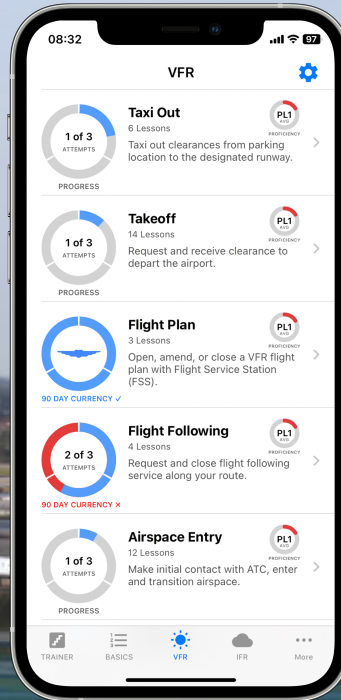

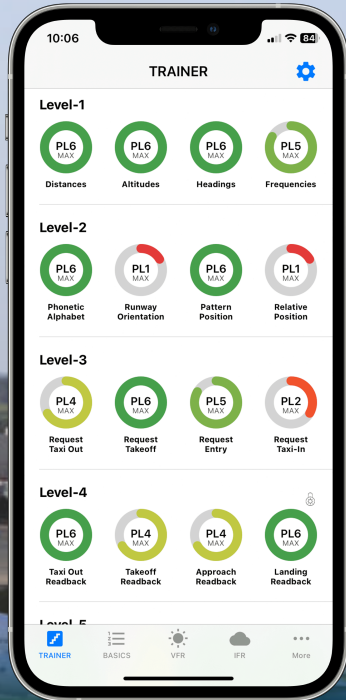

# SELECT SUBSCRIPTION OPTION

In settings, you can purchase a recurring SUBSCRIPTION or enter your INSTITUTION CODE purchased from our website or third-party distributor.

# 4.

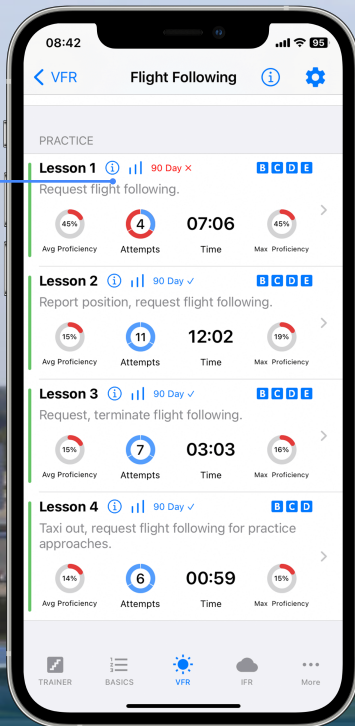

# START YOUR TRAINING

Follow the progressive training in "TRAINER" or explore VFR & IFR comms by phases of flight.

# 5.

# START YOUR COMMS TRAINING

Select a lesson by pressing on it. Review lesson objectives by pressing the “i” and start your comms training.

6.

## FOLLOW THE TUTORIAL

Follow the in-app tutorial to explore more details on how to navigate and use PlaneEnglish ARSim.
