

READING CHART

Hold the test at a distance of approximately 35cm

Read the text until you begin to experience difficulty reading

Refer to the heading of the paragraph to determine the eyesight correction for you

Try glasses with the corresponding correction to determine the improvement

+2.5

**Julie Hawkins and Nancy Black
invite you to “Raise your Glasses”**

+2

**We all know the problems around hitting the 40+ mark
and needing to extend reading matter at arms length**

+1.5

**After many years of working in the Eyewear Industry we decided
it was time to change the way reading glasses are perceived.**

+1

**We wanted to make wearing reading glasses stylish, sophisticated and most importantly,
always at your fingertips. Our Coti Vision necklace reading glasses do just that.**

Reading test is to be printed on A4 paper. This test is not for screens
and devices where the size will change and the results will vary
