FRAMEWARE LLC

Hanging Hardware Systems

The industry's best source for quality hardware

FRAMEWARE^{LLC}

Hanging Hardware Systems

Founded by Carmen DeLuccia (left) in 1985 and turned over to his son, Dean DeLuccia, now president (right).

Who is Frameware?

Frameware is one of the most respected US manufacturer and distributor of high-quality hanging hardware products serving multiple industries. Operating out of a 25,000 square foot manufacturing and warehousing facility, Frameware offers product distribution services, bulk packaging of hardware components, private label and custom packaging services, and product sourcing expertise.

As part of the Fletcher Business Group brands of solution technologies, Frameware's key hanging products are off-set clips, Heavy Duty Cleats, (ranked the highest weight capacity in the industry, US produced), picture hanging wire and strap hangers, and security hardware kits for hospitality and other business facilities requiring safe, secured hanging.

Frameware's business philosophy for the last 35 years is to set and lead the industry standard in terms of product quality and performance for its hardware line of products.

What markets do we serve?

OEM Picture Framing

Sign and Graphics

Retail Online Framing

Glass, Mirror and Glazing

Hospitality

Woodworking

PROFILES^{by FRAMEWARE}

Your Aluminum Profile Source

Frameware specializes in quality aluminum picture frame moulding and offers both standard and custom profiles for framing OEM's in hospitality, museum, and public space markets. We pride ourselves in maintaining stocking inventory levels for product availability and quick delivery turnaround. We are a primary supplier that is able to source and deliver what you need, within your cost budget, and delivery requirements. See page 27 for details.

Custom Packaging and Private Label

Frameware offers custom packaging solutions for the OEM and online retailers allowing them to attach hardware kits as part of their finished products. It can be simply a functional clear bag with printed instructions, or the package can be private labeled bringing additional value to your end consumer. Being a US manufacturing, we have the ability of supplying both smaller and larger quantities which can be difficult to source from other off-shore suppliers.

What do we offer to the marketplace?

Revenue and profit generator for online retailers

Customized packaging and private label opportunities

Consistent product quality and quick turnaround fulfillment

Packaging options and product count configurations for single or bulk kits

Pre-assembled hanging hardware – labor savings due to fast installation

Security hanging hardware for hospitals, hospitality and retail

US-produced heavy duty cleats with industry's highest weight rating

Tape

Tape is priced by the roll and can be purchased by the box quantity of 12.
