the signature patterns

Our durable 18-ounce linen blend fabrics are carefully rotary screen-printed with VAT dyes for vivid color, saturation, and quality. The rotary process creates the highest calibur of printed fabrics on the market. During the process, inks are forced through mesh screens into the cloth's fibers. The deep penetration holds color better and longer than digital printing.

The linen blend weave cloth we print on is heavy, durable and soft-to-the-touch.

THE LONG + THE SHORT OF OUR EXTENSION TABLES

WHY ADD EXTENSIONS?

Go big or go small with the Breakers or Margate
Extension Dining Tables. Leave it closed for every day
use, add a single extension if it's game night
with friends, or double up with both extensions during
the holidays. One table, so much functionality!

Also available as a solid-top table with no extensions.

EXTENSION TABLES ARE AVAILABLE IN TWO SIZES:

Seat 8 with One 20" Leaf or Seat 10 with Two 20" Leaves.

Both extension tables measure at 44"W x 72"D when closed without any leaves.
