R1210 - Hygienic dolly

DOLLY TO SUIT M111/211/311

The R1210 dolly is manufactured in food-approved medium density polyethylene (MDPE) and is fitted with 75mm nylon swivel castors, making it easy to manoeuvre.

Capable of carrying a weight load of up to 150kg, the R1210 has a compact design with smooth surfaces that are hygienic and easily cleaned. The light-weight dolly has the new castor location features, allowing the dollies to be safely stacked on top of each other when not in use.

FEATURES:

- Slimline design
- **Smooth surfaces**
- **Stackable**

- Easy to clean
- All swivel castors (75mm)
- 150kg weight loading
