OUR MISSION?

MAKING THE WORLD **BRIGHTER**

Hello, we're Dock & Bay - we create quick dry products that you'll tell your friends about. We banish boring lifestyle essentials, spread joy, push positivity and fun through colourful, problem-solving products. We're also a newly-certified B Corp, which means we're doing things better, because we care about the planet and the people in it (that's you!).

Supporting charities we love while giving out good vibes is a key pillar of our mission, but while we may be full of terrible puns, we're also focussed on our vision for a better future. As we grow, we're aiming to reduce our carbon footprint to minimise our impact on our lovely planet, while making (most of) our products from 100% recycled materials.

Have a flick through this catalogue to find handy products for your home, for your travels, for swimming, for the kids and for good dogs. Spot something you like? Get in touch and someone friendly will help.

We're the boldest on the beach, in the bathroom and by the pool, and we won't stop until we've made the world brighter.

STONEWALL CHARITY TOWEL

TROPIC LIKE IT'S HOT

Introducing our charity towel collaboration for 2023! We've teamed up with Stonewall and artist Lynn Bremner to bring you a gloriously colourful towel filled with happiness, love and inclusion.

We're donating 20% of the profit made from these towels to Stonewall's incredible work for the LGBTQIA+ community, because everyone deserves to be proud of who they are.

“When I saw the bath robe, I knew I needed to have it! Well, it is absolutely gorgeous, dries really quickly (much better than damp towelling). The colours are great and it is made from recycled plastic. What is not to love!
