

DOCK & BAY

THE ULTIMATE COOLING TOWEL

YOUR NEW FITNESS ESSENTIAL

WET

SQUEEZE

SNAP

COOL

Our cooling towels are woven with Jadestone powder, improving conductivity and allowing air to circulate around the layers. It's a permanent and chemical free solution so you never have to worry about it washing out.

Cooling process works through evaporation - just like how we sweat.

Cools to down to 15 degrees, even from boiling!

100% RECYCLED

NO ODOURS

CHEMICAL FREE

LIGHT & COMPACT
