MEASURING GUIDELINES

Watch a video that details how to take measurements

- Chest-** Measure around the fullest part
- Waist-** At natural waist line
- Hips-** Measure around the fullest part, 11" down from waist
- Inseam-** Crotch to floor
- Sleeve Length-** Top of shoulder to wrist bone with arm to side
- Height-** From top of head to floor

*Take an actual measurement for best calculation of height
 *Secure a cloth tape to a wall. Have a student stand barefoot against tape to measure.
