- 2** Take a sheet of Crystal White pearl card and trim down to 6¾" square, then edge using a chisel-tip glue pen. Cover in Crystal Crush Sparkelicious glitter then affix to the card base using foam pads. Cut a piece of silver mirror card to 6½" square and affix using foam pads. Finally, cut a piece of foiled paper to 6½" square and attach using foam pads.
- 3** Die-cut star number 2 from Lapis Lazuli pearl card, apply a thick border of glue around the edge of the star and cover in Night Sky Sparkelicious glitter, then affix to the card, once dry, using foam pads.
- 4** Stamp out the Confetti Star image onto Crystal White pearl card and heat-emboss using Starry Sky embossing powder. Add a few dots of glue to the larger circles on the image and cover in Night Sky Sparkelicious glitter. Edge using a chisel-tip glue pen and cover in Crystal Crush Sparkelicious glitter. Affix to the card using foam pads.
- 5** Stamp out the sentiment and heat-emboss using Opaque Bright White embossing powder. Trim around and affix to the centre of the star using foam pads. Stamp out the shoe twice onto Crystal White pearl card and twice onto Lapis Lazuli pearl card. Use Opaque Bright White embossing powder for the navy shoes and Metallic Silver Superfine powder for the white shoes. Die-cut the white layer using the coordinating die. Trim around the navy shoes, cutting away the back part of the shoe. Layer together using foam pads then add to the bottom corner using foam pads.
- 6** Add a self-adhesive sparkle to the centre of each of the flowers on the shoes. Add a large crystal to the top of the shoe. Finish by adding three crystals to the remaining corners.
