INSTRUCTIONS:

Card Front:

Next, cut a piece of Aquamarine pearl card to 7½" square and layer onto the blue panel. Cut a piece of Crystal White pearl card to 7½" square. Dust over the top with an anti-static bag and stamp the Summer Foliage Corner image in the top-left and bottom-right corners using a clear embossing inkpad. Cover with WOW Metallic Silver superfine embossing powder and heat to set.
- 2 Using PVA glue with a fine tip applicator, infill the leaves on the stamped image and cover with Lime Zing Sparkelicious glitter. Allow to dry, then edge the Crystal White card using a chisel-tip glue pen. Cover with Crystallina Sparkelicious glitter and affix to your base card using foam pads.
- 3 Stamp the Summer Foliage Corner image twice onto Aquamarine pearl card using a clear embossing inkpad, cover with WOW Metallic Silver superfine embossing powder and heat to set. Place the corresponding die over the image and run through a die-cutting machine. Apply Dries-Clear PVA glue to the flower petals, then cover with Rainbow Blue Sparkelicious glitter.
