## INSTRUCTIONS:

**1** Trim a sheet of Fine Gold pearl card to fit the card base and attach with double-sided tape.

**2** Using the Blooming Border Frame die set, cut the largest one in Crystal White pearl card, glitter the edges using Radiant Sparkelicious glitter, and attach to the main card with foam pads. Matt and layer Fine Gold pearl card and patterned paper from the craft kit on top of this die-cut panel.

**3** Die-cut the third die from the Blooming Border Frame die set and number 13 from the Basic Square die set together in Crystal White pearl card, then add Radiant Sparkelicious glitter to the frame.

**4** Secure the stencil down onto a piece of Fine Gold pearl card using the stencil tape. Apply the paste, remove the stencil, and cover with Radiant Sparkelicious glitter. When dry, trim to slightly larger than the aperture in the frame. Colour and glitter strips of card with an aqua marker pen and Radiant Sparkelicious glitter, then secure to the inside-back of the frame. Place foam tape around the four sides of the frame and secure onto the top of the stencilled image.

**5** Glitter the large jewel using the Art Glitter glue and Radiant Sparkelicious glitter. When dry, secure the jewel and bow to the top right-hand corner using Pinflair glue gel.

**6** Place a piece of the A4 double-sided sticky sheet onto a piece of scrap card, then die-cut the outer die from the Best Wishes die set. Remove the top and cover with Ice Breaker Sparkelicious glitter. Die-cut the Best Wishes in Crystal White pearl card, adhere both together, and secure onto the topper with foam pads.

**7** Finish by decorating the Blooming Border Frames and stencilled image with jewels from the Festive Fancies Bling Box.
