ANSI/PLATO FL1 STANDARD

MODES	 LUMENS	 RUN TIME	 BEAM DISTANCE
High	161 lm	10h	1m
Medium	8 lm	28h	1m
Low	4 lm	75h	1m

Operation Instructions

On/Off: Press and release the button on the head of the reading lamp to turn it on and off.

Cycle Modes: Press button repeatedly to cycle through modes (Low/Medium/High).

Charging Instructions

The LP178 uses a Li-Poly; 3.7V 1000mAh rechargeable battery. To charge the reading lamp, first locate the charging port on the back of the body of the reading lamp. Plug the smaller end of the supplied USB cable into the charging port, and the larger end into a USB power source.

A red light on the body of the reading lamp will light up to indicate that the lamp is charging. It will turn green once the light is fully charged.

Rechargeable battery is sealed, and replacement is not necessary.

The LP178 has a charge time of approximately 2 hours.

Product Warranty

The LP178 has a Limited 90-Day Warranty Against Manufacturer's Defects from time of purchase. For warranty claims please contact us by calling 801-553-8886 or sending an email to info@simpleproducts.com
