Bijoux de Chagall – an authentic and eco-friendly jewellery online boutique

GIVE A TRULY SPECIAL GIFT with a handmade piece by skilled jewellery artist Julia Shagal. We specialise in unique engagement rings which are made especially for you.

We are green and eco-friendly. Our ethical jewellery pieces are made from 100% recycled precious metals. We support many UK companies and all our jewellery is created in our workshop studio in London. No harsh chemicals

are used in the process of making jewellery and we love to keep our world green.

All of our gemstones are ethically sourced and customers will be

pleased to note that our diamonds are conflict free.

The rings featured are our rare colour-change Alexandrite ring with fancy teal-blue diamonds in 14ct solid yellow gold and art-deco style pear-shape diamond halo ring in 9ct solid gold.

For 10% discount please visit our online boutique and use code – **CHECKLIST10**.
