Start the school year on the right track with the

Terrific Teacher basket by Lucy's Market. Complete with bubble bath, a coffee mug (with slogans such as "I'm a teacher, what's your superpower?") and a sweet treat, your student is sure to be a star in his or her instructor's eyes.

Whether it's Styrofoam or oversized electronics, finding eco-friendly disposal options for bulky and hazardous materials can be difficult. This is why the team from the **Center for Hard to Recycle Materials (ChARM)** makes its way to Buckhead at Bam on the last Saturday of every month to host pop-up recycling events. During a Buckhead ChARM Day, residents can **safely drop off textiles, mattresses (\$10 fee), food-grade glass, and more.**
