

Application

This 2.4 m profile support is a valid complement to the Triade concealed shelf support mounting brackets. This profile will improve the shelf support capacity loading by evenly distributing the shelf load on drywall and stud wall providing a greater stability.

Advantages & Benefits

- Made 100% in Aluminum
- Evenly distributes the weight of the shelf
- Ideal for drywalls and stud walls
- Get attached to wood studs for extra stability.
- Can be cut to any length.
- Easily drill a hole in the profile at the location of your choice
