Blank Cards

Christmas Cheer Card 2

Step 1

This is a landscape card so punch a fancy border along the front edge of your A6 card in a landscape fashion. Ink around the outside of the card in gold ink.

Step 2

Cut a 15cm x 7cm piece of 'Tis the Season patterned paper. Place this onto your card lining up the top edge and adhere. Trim the edges as required and ink as desired.

Step 3

Place a length of green trim along the bottom edge of this paper and tie a bow around the strip as shown. Add a bling embellishment to the bow.

Step 4

Cut out two holly leaves from your Yuletide patterned paper. Attach underneath your green bow as shown.

Step 5

Rub the Christmas star sentiment rub-on on to white cardstock and cut this out in a star shape. Place foam dots on the back of this. Attach to the right-hand side of your card over the green trim.
