Christmas Cheer Card 4

Step 1

Punch three circles out from various patterned paper. Cut these into tree shapes as shown. Kindly glitz these to decorate and let dry.

Step 2

Rub-on a Christmas sentiment onto white cardstock and cut out.

Step 3

Attach a strip of Christmas trim along the bottom of your card – around 3cm up from the bottom edge. Note: this is a landscape card.

Step 4

Attach your rub-on sentiment in the middle of your strip of trim with foam dots.

Step 5

Cut small stems for your trees from the brown cardstock and attach to the bottom of your rounded tree edges. Ensure the glitter is dry before attaching.

Step 6

Cut three 3cm squares of white cardstock. Attach your trees to these squares using foam dots. Attach your squares to your red card as shown.
