

INSTRUCTIONS

Step 1

Turn over the Boutique paper and use the reverse side as your base.

Step 2

Cut 5 hearts from the reverse side of the Weave cardstock.

Step 3

Cut 7 assorted strips of paper 2cm x 8cm from your remaining sheets of paper. On one end of each strip cut out a triangle shape.

This is how you would cut a ribbon to stop it fraying only we will use these strips as paper ribbons with the triangle cut out facing out on the left.

Step 4

Place down your photo on the right hand edge of the frame in the middle of the reverse side of the Boutique patterned paper.

Layer your paper ribbons on the left hand side of the photo as shown. Once you are happy with your arrangement adhere the picture and paper ribbon ribbons down.

Step 5

Cut four 17cm x 1cm strips from the remaining Weave cardstock. Trim them to form a frame around the photograph and stick down.

Step 6

Pop up three of the hearts on the right hand side of the layout as shown using foam dots.

Step 7

Create your title in alphabet letters and stickers. Embellish further placing two hearts around your title and little pink glitter cardstock hearts (cut freehand) to suit.

Step 8

Finish with a bling border on the left hand side of your photo frame.
