Red Berries Bracelet

● ● ●

Finished length: Approx 6cm

Instructions:

Step 1: String a faceted ruby teardrop (JR5R67) on a 32mm head pin and turn a simple loop. Make a second component to match.

Step 2: On a 50mm head pin, string a faceted ruby teardrop, a bead cap and a silver framed red acrylic button (JB5R98). Thread the head pin through the centre holes of the oblong spacer and turn a simple loop.

Step 3: Open a jump ring and hook it through the bottom left hole of the oblong spacer and hook on one of the tear drops. Repeat on the right-hand side with the other tear drop.

Step 4: Open the loop of the earring wire and hook on the earring.

Step 5: Make a second earring to match.
