

Instructions

Step 1: Place your loom so the prong openings are facing away from you.

Step 2: Place band from centre base prong to left prong.

Step 3: Place a row of 11 bands along left side of loom.

Step 4: Place band from left side to centre at end of loom.

Step 5: Repeat on right side and finish with a capband.

Step 6: Beginning at the 2nd pin on the loom, place a horizontal band from left to right.

Step 7: Continue this step down the loom until you reach the 2nd last set of pegs.

Step 8: Turn loom towards you. Reach through the first prong catching the 2nd from bottom band and bringing it back through to the left prong. Repeat on right side.

Step 9: Reach through the left prong and grab the bottom band, bringing it forward. Repeat all the way.

Step 10: At the end, bring the last bands to the centre before placing hook all the way through and draw through black rubber band to end. Place on S hook and remove from loom.

Step 11: Make an extension.
