

how to
make

Giant envelope
wrapping

#A342

YOU WILL NEED

- Lincraft - creative mates
 - coloured paper - A2 - 1 sheet
- Sullivans Assorted Buttons [pastels]
 - 2 buttons - orange
- Cardstock - orange
- Guttermann thread - matching colour - we used 1756
- Needle
- Lincraft PVA glue
- Scissors
- Sullivans Cotton Twine 1ply

Step 5:

Machine sew the corner – using pencil marking as a guide. Repeat on other corner.

Step 6:

Trim threads and glue corner with PVA glue. Repeat on the other corner.

Step 7:

Cut a 20 cm piece of twine. Place one end under the cardstock of one button. Secure envelope by forming a figure eight around both buttons. Fold corners of flap up.

Step 8:

Cut corner of envelope flap using fold crease as a guide.

DIFFICULTY ●●●

INSTRUCTIONS

Step 1:

Fold sheet – approximately at 25 cm point on longest side. Fold envelope flap over the envelope opening. Cut 2 1-inch circle from orange cardstock.

Step 2:

Measure width of envelope in half. Hand sew the orange cardstock and button at this point. One on the envelope flap and one on the envelope.

Step 3:

Machine sew the sides of the envelope.

Step 4:

Measure 4cm from the corner of the envelope inwards along the base and mark with pencil.
