DIFFICULTY ●●●

INSTRUCTIONS

Step 1:

Punch 10 hearts from each colour. Fold half of hearts in half.

Step 2:

Glue 3 hearts [one of each colour] together at the folds to create 3-D hearts.

Step 3:

Place single and 3-D hearts on photo mat as desired.

Step 4:

Glue single and 3-D heart with PVA glue to matt board.

Step 5:

Cut strips of double sided tape and place around inner opening of photo mat – on 3 sides only. Also brush PVA glue on the remainder of the matt on same 3 sides.

Step 6:

Cut foam board to 20cm x 24 cm and stick on the back of the photo mat.
