Project Bag

#A555

DIFFICULTY ●●●

Approximate Time of project: 60 minutes

MATERIALS

30cm of linen
30 cm of contrast fabric for lining
Matching thread
Project Bag pattern

EQUIPMENT

Scissors (paper and fabric)
Pinking shears
Sewing machine
Hand sewing needles
Pins
Tailors chalk

STEPS

1. Cut out paper pattern.
2. Place pattern on the fold of fabric as instructed on the paper pattern. Draw in 1cm seam allowance around the pattern piece. Cut out fabric with fabric scissors. Repeat for other fabric pieces.
3. Place outer fabric right sides together and sew top of the handle together. Press seam flat. Repeat for lining.
4. Place lining and outer fabric with right sides together. Sew around the top edges and handle.
5. Clip curves and turn inside out.
6. Fold the bag so the outside fabric has right sides together and lining has right side together.
7. Sew around the lining and outside of fabric – leaving a 7cm gap in the lining.
8. Clip seams and turn inside out. Press flat
9. Sew close the gap in lining with an invisible stitch.
