STEPS

1. Use the template provided to cut out the three shapes needed for each tree.
2. Glue the **BOTTOM TIER** to the top of the peg, the **MIDDLE TIER** to the middle of the peg, the **TOP TIER** to the bottom of the peg.
3. Repeat the above steps until you have your desired number of tree-pegs.
4. Space the pegs evenly along your cord and peg them to attach.
5. Hang your garland up, drape around your Christmas tree or use individual pegs as ornaments.
