Knitter's Bauble

#A741

DIFFICULTY ●○○

Approximate Time of Project: 20 min

MATERIALS

Shatterproof bauble
Yarn
Wooden bead
Toothpick
Hot glue stick

EQUIPMENT

Hot glue gun
Scissors

STEPS

1. Glue the end of a toothpick into the wooden bead hole. Repeat for a second toothpick and bead.
2. Glue the end of the yarn to the bauble. Wrap the yarn around the bauble gluing occasionally until the yarn covers the bauble.
3. Stick the toothpicks through the yarn and glue in place.
4. Allow to dry before hanging the decoration
